Glass	- 200 ml (8 OZ) double wall tea glass - borosilicate (heat resistant) - dishwasher safe - ø: approx. 89 mm - height: approx. 87 mm
Tea Hat	- heat-tolerant plastic - prevents heat-loss - retains the aroma - patented slit for tea-bag thread - serves as a handy drip-off tray for the brewing basket - ø (outside): approx. 10 cm
Packaging	- 1 set / box - 12 boxes / master carton - 600 boxes / pallet - 4 languages (DE, GB, FR, USA)
Highlights	<p>Cool Touch: The Hot Glass & Hat is the solution for everyone who wants to keep fingers cool while keeping the drink much longer hot</p> <ul style="list-style-type: none"> - The double wall insulates hot and cold beverages alike with yet a second effect. No more damaged surfaces through wet vapor-film rings or heatmarks as the double layer keeps them apart. No coaster is necessary anymore! <p>Hot Design: Equally equipped with our stylish tea hat it allows you to enjoy your tea individually. Hot design for a "floating" tea experience.</p>
